

LA JOLIE RONDE LANGUAGES FOR CHILDREN

"One of the most popular and worthwhile extra curricular activities"
(Quote from The Daily Telegraph's Definitive Parents' Guide to Education 'The Best for your Children')

"Younger children are more receptive to foreign languages than older pupils and are able to absorb the rhythms and structures more easily. Getting children excited about languages at an early age and finding new and inspiring ways of teaching languages will make the difference". (Jim Knight, Schools Minister)

Welcome to award-winning La Jolie Ronde language lessons for children. We have been offering extra-curricular Reception and KS1 language lessons at Darell Primary for the last 5 years.

Here is our schedule of French lessons and we now invite parents of RECEPTION PUPILS to enrol their child for French lessons starting after October half term. These lessons take place right at the very end of the school day. Pick-up time for your child therefore remains unchanged.

- Reception French – 20 minute lessons on Monday afternoons **ENROLMENT NOW OPEN**
- KS1 French – 30 minute lessons on Monday afternoons straight after school

Children learn alongside their friends and classmates in a fun and nurturing environment. For our young learners the emphasis focuses firmly on oral and aural interaction. La Jolie Ronde is a progressive course, always building on what the children know and extending their vocabulary and structure and I know that you will be delighted at how quickly your child picks up the language in the hands of our experienced and enthusiastic la Jolie Ronde tutors, gaining joy and confidence in their new found skill. The pupils are engaged in all kinds of wonderful songs, games and activities involving puppets, toys, real objects and flashcards.

All La Jolie Ronde tutors are fully CRB checked and cleared; they are fluent French/Spanish speakers and are hand-picked for their experience and enthusiasm in the teaching of young children. You can read about all our talented teachers by going to the website www.joyforlanguages.co.uk and clicking on the tab 'tutors'.

At the beginning of each term parents receive an overview of the term's lessons. This provides week by week information on what language and topics will be covered. At the end of each term parents receive a comprehensive report on what has been covered and what is coming up the following term. In the Autumn and Summer term reports the tutor will also include an individual and personalised comment on the motivation, achievements and general progress of your child.

We have limited spaces in our language groups and therefore operate a strictly first-come first-serve system of enrolment. **Our enrolment process is completed in two steps – registration onto the database followed by the full payment by bank transfer to secure the place.**
