Spellings practise: Look say, cover, write, check.

This week we have looked at alternative spellings for the –oo (ew, ue) phoneme with the –you sound.

The common reading words for this week are: every, everyone and everybody.

Please practise these with your child at least 3 times a week.

Look	Say	cover	Write	check	Write	check	Write	check
everybody								
useful								
rescue								
rude								
threw								

Please practise reading these words (some real and some alien) with your child, making sure they recognise every phoneme (single sound) in it.

This exercise is in preparation for the phonics screening check that takes place later this year.

This week children have been problem solving.
