Spellings practise: Look say, cover, write, check.

This week we have looked at alternative spellings for **-ear** and **-ur** and **-ai** phonemes. The common reading words for this week are: **mouse**, **Mr**, **Mrs**, **once** and **many**.

Please practise these with your child at least 3 times a week.

Look	Say	cover	Write	check	Write	check	Write	check
are								
there								
burn								
his								
her								

Please practise reading these words (some real and some alien) with your child, making sure they recognise every phoneme (single sound) in it.

This exercise is in preparation for the phonics screening check that takes place later this year.

Maths: Arithmetic test to be looked over and practised for a similar test next Wednesday.

Maths target for the week:

1. Continue to practise rapid recall number bonds to 5 and 10.
2. Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs. (understand that numbers get smaller when taking away and that they get bigger when adding)
3. Write number sentences.

For example:

Ben has 5 buns, he eats 2, how many are left?

On his birthday, Ben gets £3 from his Dad and £5 from his Nan. How much has he got altogether?

Insert the correct symbols + , - or = :

3	7	10
9	1	8
