Spellings practise: Look say, cover, write, check.

This week we have looked at alternative spellings for the –or (au, our, ore) and –igh/ i-e phonemes. The common reading words for this week are: home, and going.

Please practise these with your child at least 3 times a week.

Look	Say	cover	Write	check	Write	check	Write	check
home								
going								
fourteen								
before								
knight								

Please practise reading these words (some real and some alien) with your child, making sure they recognise every phoneme (single sound) in it.

This exercise is in preparation for the phonics screening check that takes place later this year.

luft	veak	foast	thrash	clouds
peld	tife	raw	shrink	crisp

Maths: Arithmetic test to be looked over and practised for a similar test next Wednesday.

Maths target for the week:

1. Continue to practise rapid recall number bonds to 7, 8 9 and 10, extending to 20.
2. Tell the time to hour and half past and draw the hands on a clock face to show these times.

Please reinforce this learning by relating to activities they do in real time – For example, get up at 7 o'clock, have breakfast at half past 7, get ready for school at 8 o'clock, and so on.

Extend their learning through problems like: Ben leaves for school at half past 8. His brother leaves for college half an hour later. What time would that be? Can you draw a clock face and show that time using the hands on the clock?
