Spellings practise: Look say, cover, write, check.

This week we have looked at alternative spellings for the long *-oa* (ow, oe, o-e, o) phoneme. The common reading words for this week are: *magic*, and *school*.

Please practise these with your child at least 3 times a week.

Look	Say	cover	Write	check	Write	check	Write	check
magic								
school								
stone								
throne								
moat								

Please practise reading these words (some real and some alien) with your child, making sure they recognise every phoneme (single sound) in it.

This exercise is in preparation for the phonics screening check that takes place later this year.

slub	jid	thock	chill	thick
zemb	ont	mouldy	shark	fortune

Maths: Arithmetic test to be looked over and practised for a similar test next Wednesday.

Maths target for the week:

1. Continue to practise rapid recall number bonds to 5, 6 and 10.

2. To add and subtract one-digit and 2-digit numbers to 20, including 0.

This week we have introduced the children to dimes to show how a 2-digit number is made up of so many tens and some ones.

Please reinforce this learning by encouraging your children to use money (10p and 1p coins) to make up 2-digit numbers and adding simple sums up to 20p.

You could further challenge by asking them to take away sums using pennies.

3. Try these sums:

$$10p + 12p =$$

$$10p + 5p + 2p =$$

$$20p - 16p =$$
