Spellings practise: Look say, cover, write, check.

This week we have looked at adding the **-s/-es** suffix to verbs ending in **s**, **x**, **sh** and **tch** for third person singular

(I fix, he fixes). The common reading words for this week are: **asked** and **can't**.

Please practise these with your child at least 3 times a week.

Look	Say	cover	Write	check	Write	check	Write	check
can't								
touches								
indeed								
closes								
tiptoed								

Please practise reading these words (some real and some alien) with your child, making sure they recognise every phoneme (single sound) in it.

This exercise is in preparation for the phonics screening check that takes place later this year.

stupe	peast	bleab	confess	sweetest
glib	ect	believe	spend	about

Maths target for the week:

1. Continue to practise rapid recall number bonds to 7, 8 9 and 10, extending to 20 and 100 (in multiples of 10).
2. Using multiplication and division to solve problems. Draw pictures to show your working out.

I can see 14 wheels. How many bicycles is that?

Using 2p, 5p and 10p coins, how many different ways can you make 20p?

3. True or false? If you counted back from 50 in tens, you would say 5. Explain your reasoning.
