Spellings practise: Look say, cover, write, check.

This week children were taught how to add **-ed** suffix where the root word doesn't change. The common reading words for this week are: **new**, **our** and **shouted**.

Please practise these with your child at least 3 times a week.

Look	Say	cover	Write	check	Write	check	Write	check
new								
our								
shouted								
wanted								
asked								

Please practise reading these words (some real and some alien) with your child, making sure they recognise every phoneme (single sound) in it.

This exercise is in preparation for the phonics screening check that takes place later this year.

criff	haps	doil	haunted	scoop
barst	charb	think	lied	risk

Maths target for the week: Number bonds and fractions.

1. Continue to practise rapid recall number bonds to 7, 8 and 9.
2. To recognise and find halves and quarters of objects, shapes and quantities.

Find half of these numbers: Use coins or buttons to help put the numbers into 2 equal parts.

$\frac{1}{2}$ of 8 = _____ $\frac{1}{2}$ of 12 = _____ $\frac{1}{2}$ of 18 = _____

3. Draw a picture to show $\frac{1}{4}$ of 20. How many equal parts do you need?
4. Sam gives half of his money to charity. These are the coins Sam has. How much does he give away?
