Spellings practise: Look say, cover, write, check.

This week children were taught how to add the suffix **-ing** where the root word doesn't change. The common reading words for this week are: **yesterday** and **tomorrow**.

Please practise these with your child at least 3 times a week.

Look	Say	cover	Write	check	Write	check	Write	check
yesterday								
tomorrow								
finishing								
throwing								
laughing								

Please practise reading these words (some real and some alien) with your child, making sure they recognise every phoneme (single sound) in it.

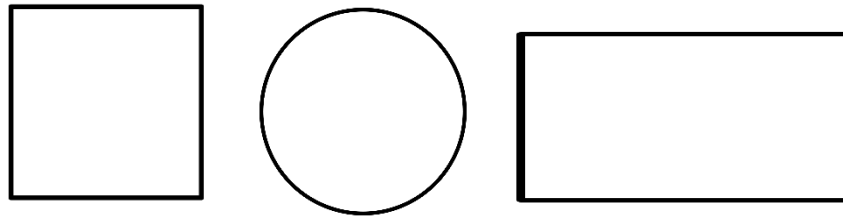

This exercise is in preparation for the phonics screening check that takes place later this year.

streap	steph	quorg	quite	buzzing
quigh	quemp	start	phone	about

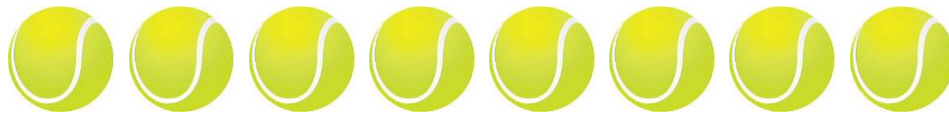

Maths target for the week: Number bonds

1. Continue to practise rapid recall number bonds to 7, 8 and 9, extending to 20 and 100 (in multiples of 10).
2. To recognise and find halves and quarters of objects, shapes and quantities.

Find the quarter of these shapes and colour in one quarter:

Circle a quarter of these tennis balls:

True or false: Explain your answer.

A quarter means dividing a shape into 4 parts, but they don't always have to be equal.
