Please continue to read daily.

Maths

- Continue to practise your times tables target.
- Please can you also continue to practise telling the time at home (analogue as well as digital). Please regularly ask your child what the time is!
- Please look over your arithmetic test from this week (Spring Test 4) for a repeat test after half term.
- Look over the SATs past paper 2006 that we did on Monday. We will be doing weekly past papers. Please do not complete any past papers at home.

These are 'old curriculum' SATs past papers so it is difficult to say what an 'expected' and 'above expected' score would be. But using last year's tests, I would say, roughly 25/40 = expected and 34/40 = above expected.

Please continue to complete the specific pages in the SpaG and maths revision books. The letters which outline these specific pages can be found on the website on our class page under 'Home Learning.' If you need any help with anything in the revision books, please ask!

Have a lovely half term holiday!
