

Year 6 Home learning - Friday 30th June 2017

This homework must be completed and handed in on Thursday, 6th July (as Wednesday 5th July is Sports Day). If it is not, it will be completed at lunchtime on Thursday.

For Sports Day on Wednesday 5th July, please come in to school in your PE kit (with the correct coloured T-shirt depending on your house colour) and a bottle of water (and apply and bring sun cream if the weather is hot). We will be at the North Sheen Rec for most of the day as we will be helping at the KS1 sports day in the morning and participating in the KS2 sports day in the afternoon.

English

- 1) Please continue to **read daily**.
- 2) Please continue to **learn your lines** for the production, including the **songs**! Next week is our last week of rehearsals! We will be performing the dress rehearsal to the school on Thursday 6th June at 9am. Please ensure that any props or costumes that you are bringing in from home are brought in on Monday so that we can check that we have everything before Thursday!
- 3) Please write a **setting description** of your ideal holiday location. Try to include all the necessary ITAFs that we have learnt this year, check your spellings using a dictionary (if you don't have one at home, you can check using an online dictionary). This must

be written on every other line and should be at least one side of A4.

Maths

- Please complete the **Arithmetic test**. We will mark the test in class on Thursday, 6th June.
- Continue to practise your times tables target. You can ask an adult to test you at home. Or, if you have access to a computer or tablet, you can go onto 'Hit the Button' on Topmarks. This includes multiplication and division questions.

My times table target is.....

Have a lovely weekend!

Miss Millener ☺
