

## **GREASE LIGHTNING (boys years 1 – 6 & ukuleles)**

Well we've got a super car-it's the best by far oh yeah!

Grease lightning go grease lightning

We drive it round the block and give everyone a shock oh yeah!

Grease lightning go grease lightning

This car's a dream-it makes you scream (Aaargh)

a-grease lightning-go go go go go go go go go

*clapping!*

Go grease lightning-I got my foot flat on the floor!

Grease lightning go grease lightning

We're driving to the movies and maybe we'll stop at the store!

Grease lightning go grease lightning

We go so fast-this car's a blast

A grease lightning

Lightning lightning lightning

Lightning lightning lightning lightning-Lightning!
