

Year 5 Home Learning  
Thursday, 8th October 2020

English

We are continuing to recap the spelling rules and words learnt in Years 3 and 4. This week we have been exploring the -ly suffix to change an adjective into an adverb.

slowly	extremely	romantically	gently
carefully	occasionally	dramatically	simply
cautiously	frantically	emotionally	happily
completely	optimistically	miserably	lazily

Make sure you are reading regularly at home and your reading record is signed at least three times by Friday. You can now get up to 7 signatures per week (including the days over the weekend!).

Our focus this year (and beyond!) is encouraging the children to read for pleasure. One way to do this is to talk to our children about what we are reading in class. Below are a couple of suggested reading questions that you can ask your child to help start this conversation.

Reading questions:

Where does Sofia live and why does it not scare her?

What does Sofia's mother do?

Maths

Please continue to practice your times tables 10 minutes a day (focusing on the ones you are practising in class). We are focusing on speed recall!

What have we been learning about? Please discuss with your child.

- What do you need to pack if you climb a mountain? Why?
- Which material is a good thermal insulator to line a lunch box? How did you find out?

Have a lovely weekend!

Mrs Durrani 😊
