

Darell Primary and Nursery School

P.E. and Sports Premium Spending at Darell Primary and Nursery.

The Sports Premium bursary was first introduced by the British Government in March 2013 in an attempt to build upon the fine successes of Team GB at the 2012 London Olympics. The scheme's intention has been to improve the provision of P.E. and sports within school settings. To facilitate this change each school, with 17 or more pupils in the UK is allocated £16,000* plus an extra £10 per pupil thereafter. Such capital is ring-fenced purely for the development and delivery of the provision of P.E.

Darell Primary and Nursery's 2020-2021 allocation of Sports Premium Funding equated to £18,100 and the total amount spent was £6,288.63.

Our 2021-2022 allocation of Sports Premium Funding totalled £17,817 In this document, we will provide the relevant information on this year's P.E. and Sports Premium budget. Furthermore, the document will showcase how we, Darell Primary, aim to improve our offer to our pupils by making PE sporting opportunities and extra-curricular activities fun, engaging, competitive, wide-ranging and inclusive to all.

2021-2022 Overview
