

KS2 SRP Summer Term Curriculum Newsletter

Hello everyone,

The summer term is a busy one. We continue to use the zones of regulation to check in with how we are feeling each day and also make good use of the OT equipment and calm room within the SRP spaces. The children enjoy the regular 'talking time' in which they can share their news.

We will continue to integrate with our respective mainstream classes and take part in weekly sensory circuit workouts, spelling, phonics and handwriting practice sessions as appropriate for each child.

English

We have started off the summer term in English with *The Lonely Beast*. We will be using this text to explore what a diary is and how to write an entry.

Maths

In Maths, we are following the mastering number programme as well as using the NCETM resources. We continue to focus on our understanding of number from each child's starting points. For some children, we will also be including learning that relates to measurement and time.

Computing

Some of the children will be accessing the computing curriculum with their mainstream classes. In Newton, we will be continuing to learn how to touch type and use our chrome books to write creatively.

RE

This term, we will be thinking about why people pray with a focus on Islam and Christianity. Later in the term, we will be introducing children to Sikhism.

History

As historians, we will be learning about The Romans. We will explore who they were and when they lived. We will learn about Julius Caesar and look at how the Romans changed the way we live.

Geography

After half term, we will be learning about the features of volcano, where they can be found and why they might erupt!

Science

As scientists, we are going to explore what plants need to grow and be healthy. We are planting our own seeds and bulbs and will watch and record how they grow...hopefully!

Enrichment

This term, we will continue to develop our cooking skills. Our SRP children have additional swimming sessions and some of our children in Year 4 and 6 will be experiencing a residential at Thames Young Mariners and Walton Firs. Year 4 will be off to Thames Young Mariners and Year 6 to Walton Firs. Some of our children will also have some tennis sessions this term.

School values

We continue to remind ourselves about all four of our school values and how we can live them every day. We also continue to remind ourselves about aspiring to be the best we can be and being kind and helpful to others.
